FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARYRe ***Ex Parte Presentation – MB Docket No. 02-235***

Dear Ms. Dortch,

In accordance with Section 1.1206 of the Commission's Rules, 47 C.F.R. §1.1206, Telemundo Communications Group, Inc., submits this letter to report that on August 8, 2003, Bill LeBeau, Telemundo's Senior Regulatory Counsel, spoke to Johanna Mikes, who is Commissioner Jonathan Adelstein's media adviser. The communication, which followed upon the parties' *ex parte* meeting earlier this week, included a review of whether any conditions (including joint sales limitations and access rules for talent and advertising) could adequately address unique issues arising from the merger proposed in this proceeding. The communication also addressed the number of U.S. stations that are members of the Telemundo and Univision networks. According to Telemundo's records, the Telemundo network within the continental United States is affiliated with 19 full-power stations, including 13 owned and operated Telemundo stations. The Univision network within the continental United States is affiliated with 33 full-power stations, including 15 owned and operated stations. The Telefutura network, which is another leading Spanish-language broadcast network owned by Univision, is affiliated with 19 full-power stations, including 18 owned and operated stations.

An original and one copy of this *ex parte* letter are being filed with the Secretary's Office as required by Section 1.1206(b)(2) of the Commission's Rules. Please contact the undersigned if there are any questions with respect to this submission.

Very truly yours,

Bill LeBeau
